

PROACTIVE GOVERNANCE FOR A RESPONSIVE BUDGET

Secretary Amenah F. Pangandaman

1st PAGBA Seminar and Meeting
Baguio City
April 26, 2023

As **government budget administrators**, it is important that we do not just dwell on the problems we face, rather, we must focus on being **proactive in crafting solutions**.

Being **proactive** entails awareness
of the areas where we spend our
energies, and acknowledgment
that we are **“response-able.”**

-Steven Covey

7 Habits of Highly Effective People

Proactive governance is best embodied in the country's **Philippine Development Plan 2023 to 2028**, anchored on the Administration's **8-point Socioeconomic Agenda**.

P5.268 T

FY 2023 National Budget

P24.13 B

ICT-related expenditures

P7.24 B

Financial assistance to LGUs

**PBBM
Governance Bill**

**PFM
Competency
Program**

**Digital Transformation
Roadmap**

Let us proactively work toward the achievement of our **Agenda for Prosperity**—one that is truly inclusive and sustainable for all generations and the next.
